Supplement to The Paper Industry, April, 1922

THE PAPER INDUSTRY

Index to Volume Three

APRIL, 1921—MARCH, 1922

ASSOCIATIONS

American Paper and Pulp Association
- Activities of ..... July 615
- Annual Review of 1921 Activities ..... Jan. 1415
- Fall Business Conference ..... Nov. 1134
- Forty-fourth Annual Convention ..... Apr. 77

American Pulp and Paper Mill Superintendents Association
- Miami Valley Division Meeting ..... Apr. 191
- Miami Valley Division Meeting ..... Feb. 1565
- Miami Valley Meeting ..... Mar. 1689
- Michigan Division Meeting ..... Apr. 185
- Michigan Division Meeting ..... Jan. 1427
- Michigan Division Meeting at South Bend .... Feb. 1537
- Michigan Division Meeting ..... Mar. 1697
- Michigan Division Outing ..... June 489
- Northwestern Division Meeting ..... Oct. 1001
- Semi-Annual Convention ..... June 481

Canadian Pulp and Paper Association
- Convention ..... Feb. 1547
- Summer Meeting of the Technical Association .... July 607

Cost Association of the Paper Industry
- Connecticut Valley Division Meeting ..... May 337
- Connecticut Valley Division Meeting ..... Oct. 1003
- Connecticut Valley Division Meeting ..... Dec. 1289
- Connecticut Valley Division Meeting ..... Jan. 1429
- Connecticut Valley Division Meeting ..... Feb. 1567
- Kalamazoo Division Meeting ..... May 339
- Kalamazoo Division Meeting ..... June 487
- Kalamazoo Division Meeting ..... July 619
- Kalamazoo Division Meeting ..... Dec. 1291
- Miami Valley Division Meets with Miami Valley Superintendents ..... Aug. 743
- Wisconsin Division Meeting ..... Apr. 189

Miami Valley Paper Manufacturers Association Meeting ..... Mar. 1691

National Paper Trade Association, Annual Meeting... Apr. 185

Technical Association of the Pulp and Paper Industry
- Executive Committee Meeting ..... May 333
- Joint Meeting with Felt Manufacturers ..... Feb. 1567
- Sixth Annual Meeting ..... Apr. 173

COSTS

Budget System, Durward Earle Burchell ..... Apr. 92

Cost, Co-operation and Diplomacy, Charles H. Martin.. Sept. 833

Economic Losses in the Paper Industry, C. I. McNair, Jr. ..... Nov. 1130

Electric Light Costs ..... Apr. 213

COSTS—(Continued)

Engineering Applied to Manufacturing and Selling, V. D. Simons ..... Jan. 1389

Helpful Report Blank ..... Apr. 147

Human Factor in Production and Cost Accounting, George D. Bearce and G. A. Ware..... Nov. 1097

Idle Time as a Manufacturing Loss, H. A. Wingate.... Oct. 969

Importance of Costs and Their Relation to Manufacturing and Banking, Ellery A. Baker ..... May 290

Importance of Power Costs in Paper Accounting, E. C. Gause, C. P. A..... Feb. 1521

Leaks and Losses, John A. Kagerhuber, Ch. Engr..... Feb. 1503

Little Losses, W. F. Schaphorst, M. E..... June 429

Method of Distribution for Power, Rental and Auxiliary Charges in a Paper Mill, F. H. Shiland.. Mar. 1567

Paper Mill Increases Capacity by the Electrification of the Beater Room, H. E. Whitaker..... Jan. 1394

Practical Considerations in Paper Costs, John R. Loomis ..... Dec. 1250

Preparation of Cost Figures for Administrative Control, Harold Dudley Greeley, C. P. A..... Aug. 723

Relation of Business Statistics to Management Control, Stephen Gilman, C. P. A..... July 582

Reserves for Self Insurance in Paper Industry, N. F. Ross, C. P. A..... July 613

Some Practical Aspects of Installing Cost Systems, C. Oliver Wellington..... Apr. 131

Theoretical Cost of Grinding Wood, Roger M. Kinzly.. Feb. 1519

True Story of a Rejuvenated Mill, H. V. Coes..... Oct. 977

Why Sell Below Cost?..... Sept. 873

"Why We Have a Cost System," S. B. Copeland.... Apr. 110

EDITORIALS

Chemical Control for De-inking Paper, C. M. Joyce ..... Sept. 838
Continuous Automatic Washing of Wood Pulp, H. A. Morrison ..... Jan. 1375
Control of Causticizing Lime of Determining Active CaO Content, G. K. Spence ..... Nov. 1095
Cooking Time Shortened by Preliminary Impregnation in Production of Sulphite, Vance P. Edwardes ..... May 313
Effect of Bleaching on Fibers, E. Sutermeister ..... Mar. 1640
Effect of Variables on Bleaching Efficiency, George K. Spence ..... Apr. 135
Evaluation of Lime by Causticizing Tests, Carl Moe ..... Apr. 109
Fastness of Dyestuffs, Paul de Guehery ..... Jan. 1382
Fundamental Chemistry in Paper Making ..... Nov. 1112
Manufacture of Sulphite Pulp in Europe, O. L. Berger ..... June 457
Moisture Testing; What about the Man? T. Linsey Crossley ..... Sept. 828
More About Sulphite Cooking, Comment ..... Feb. 1523
New Bleach for Paper in Australia ..... Nov. 1133
Principles and Practice of Bleaching, E. Sutermeister ..... Oct. 955
Rapid Method of Determining Moisture Content of Wood ..... June 421
Reason of Defective Sizing, E. Arnold ..... Dec. 1273
Relation of the Moisture Content of Wood to Its Decay, Walter H. Snell ..... May 283
Rinman Modification of Sulphite Process, Brorn. Segerfelt ..... Apr. 96
Silicate of Soda in Papermaking, James G. Vail ..... Nov. 1122
Simple Method of Testing the Relative Strengths of Dyes, B. K. Steadman ..... July 584
Simple Moisture Content Indicator for Paper, C. B. Thwing, Ph. D. ..... Apr. 121
Some Economical Aspects of Combined Sulphate and Sulphite Operation, Walter Clifford, Chem. Engr. ..... Dec. 1274
Straw Pulp as a Substitute for Ground Wood for Newsprint, Walter Clifford, Chem. Engr. ..... Nov. 1105
Sulphite Digestors for Direct Cooking, Harry E. Weston ..... Sept. 829
Sulphite Pulp, P. A. Paulsen ..... Sept. 847
Technical Association Papers
- Removal of Odors from Digester Blow in Sulphate Mills, Gustaf F. Enderlein ..... Dec. 1287
- Report of Soda Pulp Committee, G. K. Spence ..... Dec. 1289
- Utilization of Lime Sludge, Carl Moe ..... Dec. 1287

Testing of Coal, E. G. Milham, Chem. Engr. ..... June 419
Testing of Wood Pulp Shipments for Content of Air Dry Pulp, Emerson Laboratory ..... July 563
Turning Laboratory Theory Into Profit-Making Practice, F. C. Clark ..... May 285
Why Pay for Water? J. N. Stephenson ..... Nov. 1129

Electric Trucks Makes Saving, ... July 603
Electric Trucks Makes Saving ..... Oct. 965
Fifteen Ton Cranes in Handling Wood Pulp, Arthur F. Allen ..... Sept. 850
Handling Liquid Chlorine, D. K. Bartlett ..... Dec. 1277
Keeping Pace with New Hauling Problems in the Industry ..... Aug. 717

INDEX TO VOLUME THREE, THE PAPER INDUSTRY

MANUFACTURE OF PAPER—(Continued)

Lift Trucks Are Big Advantage....Mar. 1654
Saving Man Power....Dec. 1261
Shipping, H. M. Grasselt....Feb. 1517
Steel Belt Conveyor, Harry Carlson....Jan. 1386
Steel Bound Platform....Apr. 147

MANUFACTURE OF PAPER
(Mechanical Process)

Beater Roll Fly Bars and Bed Plates, W. F. Ebbing..Dec. 1283
Beating, Sizing and Loading, George Teren....Aug. 710
Briner Economizer Using Only Waste Heat for Ventilation of Machine Room, W. H. Howell, Jr..Apr. 143
Carrying Rolls Over Suction Boxes, John Kagerhuber....Jan. 1393
Development of Suction Rolls, William Millspaugh...June 436
Direct Current for Variable-Speed Sectionalized Paper Machine Drive, George H. Gibson....Apr. 94
Discovery in Paper Mill Ventilation, E. A. Briner, M. E....Oct. 958
Effect of Seasonal Temperature on Paper Making, W. A. Wylde....Feb. 1506
Elimination of Groundwood Mill Waste, Ralph K. Pratt....Mar. 1673
Filling a Pulp Stone Cavity, W. A. Munro....July 577
Fourdrinier Improvements, Herbert Cantwell....Aug. 700
Grinder Improvement....Jan. 1385
Handy Chart for Determining the Flow Through Pipes, W. F. Schaphorst, M. E....Sept. 859
Head of the Stock Back of the Slice, H. Lhomme and M. Argy....Nov. 1120
How Filter Paper Is Made....Sept. 846
Human Factor and System in Paper Making, K. H. Coughlin....Mar. 1638
Improved Lead Burr, W. A. Munro....Jan. 1391
Keeping Machinery in Condition, K. H. Coughlin....Dec. 1255
Making Cleaner Paper, Earl Dewey....Aug. 729
Manufacture of Box Board in England, W. H. Sylvester....Aug. 727
Method of Testing Color of Boxboard Half-Stuff, R. W. Stevens....Apr. 147
More Pulp from the Wood....Nov. 1128
Much Ado about Waste, C. A. Eddy....Dec. 1259
Necessity for Proper Bearings, J. H. Austin....Aug. 718
New Apron Material....May 309
New Development in Paper Machines, L. E. Milkey....Dec. 1253
New Hall Process of Grinding Pulp, The, W. A. Munro....Apr. 119
New Turbine....May 327
New Type of Stuff Pump....May 327
New Weightometer for Soft Stock, Chips and Acid, E. J. Trimbey....Apr. 137
Pointers on Purchasing Lubricants, A. H. Prichard....Jan. 1392
Proper Use and Care of Paper Cutter Knives, W. F. Ebbing....Aug. 698
Pulp and Paper Screens, Phillips Dennett....July 593
Pulp and Paper Screens, Comment....Sept. 857
Recent Improvements Made in Paper Mill of Abitibi Power and Paper Co., Ltd., W. H. Artz....Oct. 974
Rubber Rolls, R. B. Adams....June 465
Screening, Julius Schroeter....Oct. 979
Sectionalized Electrical Driving of Paper Machines, Comment....June 446
Steam Economy in Drying on and Driving of Paper Machines, R. W. Leeper....Apr. 123
This and That in Manufacturing Test Container Board, L. T. Murphy....June 443
Waste in Box Board Mills, Richard Clayton....Sept. 823

MANUFACTURE OF PAPER
(Power Plant)

Automatic Coal Weighing Machines and Fuel Conservation, W. W. Cromley....Apr. 127
Coal Handling at Paper Mills, H. B. Mosley....June 444
Controlling Combustion on Basis of CO_2 Alone, Unsatisfactory, Rolland Moeller, M. E....May 301
Corliss Valves for Steam Traps....Mar. 1649
Graphic Boiler Plant Records, E. R. Low....Sept. 835
How to Increase the Efficiency of Waterpower Plants, Charles M. Allen, M. S....Apr. 88
Improving Boiler Room Practice, Robert June, M. E...July 578
New Type of Soot Blower, Robert June, M. E....Aug. 706
Patching Boiler Settings....Dec. 1275
Powdered Coal as Fuel in Steam Plants, Henry Kreisinger and John Blizard....Mar. 1673
Power Plant Engineer, His Joys and Sorrows, Richard Clayton....Aug. 716
Power Plant Management, Robert June, M. E.
- Bonus System for Boiler Room Employees....May 296
- Choosing the Condenser....Feb. 1513
- Economizer and Economizer Practice....Apr. 111
- Feed Water Heaters....Mar. 1659
- Human Factor in the Problem of Increasing Power Plant Efficiency....Dec. 1256
- Keeping Books with the Power Plant—Part 1..Sept. 843
- Principles of Lubrication—Part 1....June 432
- Principles of Lubrication—Part 2....Oct. 971
- Storage and Weathering of Coal....Jan. 1399
- Superheated Steam and Superheaters....Nov. 1108

Pulverized Coal, Its Possibility in Paper Manufacturing, Ralph Galt....Sept. 824
Pulverized Fuel for Paper Mill Power Plants, Loren L. Hebberd, M. E....Apr. 97
Revolution in Blower Design....Mar. 1647
Rope Drive Precautions....Jan. 1413
Steam Generation by Electricity, Frank Hodson....Mar. 1653
Steam Pipe Insulation....Apr. 149
Sulphite Mills Operated Without Coal, G. Hallberg..Jan. 1395
Temperature Regulator Chart....Sept. 861
Useful Information for Power Plant Owners and Engineers, W. F. Schaphorst, M. E.
- Advantages of Steel Pulleys....Dec. 1269
- Bare Pipe Heat Loss Cost....Dec. 1266
- Chart for Quickly Determining Belt Slip....Mar. 1646
- Exaggerating Losses....Mar. 1645
- Excellent Rack for Heavy Materials....Mar. 1647
- Handy Chart for Determining the Collapse Resisting Strength of Iron Pipes and Tubes..Dec. 1268
- Handy Chart for Finding Volumes of Tanks....Mar. 1645

INDEX TO VOLUME THREE, THE PAPER INDUSTRY

MISCELLANEOUS

Another Concrete Failure, Herbert Cantwell.....Nov. 1116
Bamboo as a Paper Making Material, John Stevens, 3d..Apr. 84
Consolidated's Big Paper Machine.....Aug. 733
Fine Paper Industry as Seen by the Manufacturer, Norman W. Wilson.....Nov. 1101
Fire Extinguisher for Cold Climes.....Apr. 141
Fire, the Waster, Frederick Webber Shafer.....Apr. 151
Fractions and Decimals, W. F. Schaphorst.....Mar. 1679
Governmental Encouragement of Paper Standardization, Waldon Fawcett.....Aug. 695
How It Worked, J. Linsey Crossley.....Jan. 1405
Newsprint Situation, The, R. S. Kellogg.....Nov. 1124
Permanency of the Paper Industry, Hugh P. Baker..June 447
Present Industrial Situation, Charles Coolidge Parlin..June 422
Pressroom Requirements, S. M. Williams.....June 473
Ravages of the Bookworm, Wm. R. Reinicke.....Sept. 819
Selling Scientifically and Manufacturing Methodically, T. J. Burke, C. A.....Sept. 853
Seventh National Exhibition, Chemical Industries....Oct. 983
Tenth Annual Conference of Hammermill.....Sept. 871
War on Waste, H. M. Grasselt.....Mar. 1552
Work of the Paper Mark, Waldon Fawcett.....July 572

PULPWOOD

More Pulp per Cord of Wood—Why not? John D. Rue.....Jan. 1409

PULPWOOD—(Continued)

Plants Suitable as Raw Materials for Paper Making, Raymond Fournier.....Feb. 1532
Pulp and Pulp Wood Decay.....July 589
Suitability of Southern Woods for Pulp and Paper Manufacture.....Apr. 149
Use of Clean Water as a Preservative for Storing Mechanical Pulp, R. J. Blair and E. Parke-Cameron.....Feb. 1528
Utilization of Jack Pine in the Manufacture of Newsprint, Maurice Neilson.....Feb. 1510

SAFETY

Accident Hazards in Paper and Pulp Mills, National Safety Council.....Apr. 104
Accident Records, National Safety Council.....Sept. 839
Boiler Rooms, National Safety Council.....June 449
Effective Safety Work, H. M. Grasselt.....Jan. 1402
Electrical Hazards, Fred M. Rosseland.....May 325
First Aid, Fred M. Rosseland.....July 575
Manager's and Foreman's Responsibilities, Roy J. Murbach.....Nov. 1118
National Safety Council Tenth Annual Congress.....Oct. 1001
Responsibility for Industrial Accident Prevention, George P. Hambrecht.....Sept. 863
Safety and the Manager, C. W. Price.....Aug. 714
Safety Applied in the Paper Industry, Walter A. Gleason.....Mar. 1650
Using a Camera to Promote Safety, A. Ellis Frampton.....Oct. 966
